Highlights

- The event was organized by [SiB Colombia](#) (GBIF Colombia) in alliance with the [National Business Association of Colombia](#) (ANDI) and with the support of the [National Authority of Environmental Licences](#) (ANLA).
- ANDI was represented by its [Biodiversity and Development Initiative](#).
- 179 participants from different companies affiliated with ANDI, the National Environmental Committee, the Energy Mining Committee, the Chamber of Procultives, the Chamber of Cosmetic Industry and Cleaning.
- Among the attendees, Dr. Ana María Hernández, President of IPBES, delegates from the Ministry of Environment, partner organizations of the Initiative "Biodiversity and Development" in Putumayo, Caribbean and Savannah of Bogota.
- 73 organizations represented between companies and partners of these companies.
- In the Q&A session, 19 questions were answered associated with types of data, data quality, helpdesk and training in data publication.
